Pencil Cheese Sticks

Ingredients:

1 ea. String cheese

1 each Bugles cracker

1 each raisin

1 each pink mini marshmallow

Directions:

Using a cup of boiling water dip one end of the cheese stick in to slightly melt and get soft. Press the mini marshmallow on the melted end until it sticks to the cheese to form the eraser of the pencil. Dip the other end of the cheese stick in the boiling water and push the bugles cracker into place to form the wooded point of the pencil. Cut the raisin in half and push it onto the end of the pointed part of the bugle to form the lead of the pencil. I fun cheese snack your child will love.
